

Dear Friends of Preservation

Please join us again by renewing your Membership, or if you're a new member – **Welcome!** Whether funds are raised through Tours or Membership, the dollars make a significant impact on local historic preservation!

Quincy Preserves continues to support both commercial and private home façade programs, recognizes historic homes and businesses through a plaquing program, offers college scholarships to high school seniors who are interested in historic preservation and worked with the Preservation Commission to host a college Internship Program this past summer. Quincy Preserves also assists other preservation organizations such as HSOQA, Washington Theater, and Friends of Lorenzo Bull. The Preservation Advocacy/Education Committee continues to work to educate the public on the importance of preservation to help prevent the decay and demise of homes and public buildings.

Thanks to the efforts of our dedicated members and volunteers, Quincy Preserves remains a strong, viable organization in our community.

Our 2020 planned events will be the annual March Dinner, Spring/Summer home and tour, Picnic, and Fall home tour.
