

# Quincy Preserves

Preservation is for everyone.

Dear Friends of Preservation,

The mission of Quincy Preserves is to foster awareness of and to promote appreciation of the historic architecture of Quincy, Illinois, and Adams County and to encourage active membership involvement in the recognizing, protecting, maintaining, and displaying of these structures. Our annual architectural tours help support and bolster Quincy's unique catalog of great architecture and creates an awareness of how fortunate our area is to have these many architectural treasures.

In addition to organizing tours, Quincy Preserves supports both commercial and private home façade programs, recognizes historic homes and businesses through a plaquing program, and offers college scholarships to high school seniors who are interested in historic preservation. Quincy Preserves also assists other preservation organizations such as HSOQA, Washington Theater, and Friends of Lorenzo Bull. The Preservation Advocacy/Education Committee continues to work to educate the public on the importance of preservation to help prevent the decay and demise of homes and public buildings.
